

Parkland Immanuel Christian School

Student Registration

As a faith-based independent school operated by the Canadian Reformed School Society of Edmonton, parents are required to be members of one of the supporting churches of this Society, the Canadian Reformed or United Reformed Churches.

For example, the Immanuel Canadian Reformed church, which shares the PICS property, is one of the supporting churches in the Edmonton area. Their website (www.edmontonimmanuel.ca) provides information concerning historical roots, statements of faith, pathways to membership, worship times, and links to recordings of worship services.

Details: If you are already a member of a Canadian Reformed or United Reformed church, and are moving to the area or just new to our school, Registration forms can be obtained by contacting the school office by E-mail: office@parklandimmanuel.ca

As an independent school, we also require tuition in order to make our budget. We receive significantly less funding than public schools, so the shortfall is made up through tuition paid at a per family rate based on the age of your oldest child, as seen below:

TUITION / MEMBERSHIP FEES		
	Monthly	Yearly
Kindergarten	\$400	\$4,800
Grade 1-4	\$665	\$7,980
Grade 5-8	\$775	\$9,300
Grade 9-12	\$885	\$10,620
No children attending PICS	\$185	\$2,220
Single/Retired	\$150	\$1,800

Transportation

PICS provides bus service to the Edmonton area. A map is published on the website displaying the bus pick-up zones, which are updated periodically. These zones are determined primarily by the society's population densities and are subject to Board approval. Bus routes are published each August for the coming school year.
