Biblical Perspective

God's vision is that we are Stewards!

1. Understanding God's provision is sufficient and abundant.
   Matt 6:26 birds of the air, John 6: 5 loaves 2 fish

2. We are called to care for:
   1. Ourselves   *1 Cor 6 :19-20 our bodies are a temple*
   2. Each other   *Luke 10:25ff see the good samaritan*
   3. Creation   *Genesis 2:15 tend and care for the Garden*

3. Our stewardship is an act of worship, an expression of our faith
   It is multifaceted, *including all we have:*

   **Time & Relationships,   Talents & Gifts ,
   Treasures & Tools   Trees & Environment**

What is your story?

► **God has given us HIS story.**
We all have different experiences and opportunities and we are all created to reflect his image with the call to respond to Him.

► **We all have a family story,**
through which we view the world and God's gifts.

► **We each respond uniquely,**
though each of us is a broken vessel in a sinful world, God loves to see our responses
